## **GREATER LADIES**

# **GHSC AND THE GREATER LADIES GROUP INVITES YOU TO PARTICIPATE IN THE 4TH ANNUAL LADIES LEAGUE!**

Thursday, January 24th – Thursday, March 7th

Watch for email updates as we will have vendors attending a few of the League nights with gear specifically for Ladies.

**Greater Ladies Winter League is for GHSC Club Members only.**

The Greater Ladies league purpose is to inspire women to become involved in shooting sports as a lifelong pursuit with other like minded women. League participants will develop their skills and get to know other Greater Ladies through a series of casual shooting events.

The league is seven weeks long beginning Thursday afternoon January 24th and will finish with an awards banquet on March 9th at the Clay for Ladies event.

Ladies arrive at 3:15pm and are paired into 4 person groups randomly. If there are ladies you would like to shoot with just let us know! Shooting begins at 3:30pm.

There is a \$80 one time League fee and shooters are responsible for target fees. Golf cart rentals are waived. The GHSC bar will be open each league night until 8:00pm so everyone can catch up on the days shooting.

One hundred targets will be shot each week on the South Course, encompassing a total of 800 targets shot over the seven week period.

Recognition of shooters will be based on 600 targets, with the ability to drop the two lowest scores.

Greater Ladies will use the Lewis Class System. The Lewis Class System groups ladies with similar shooting levels; final scores are posted when the event is over, scores are then put into groups based on score ranges.

The final 100 birds will be shot at this years Clays for Ladies event on Saturday, March 9th. The Greater Ladies winners will be announced in correspondence to the Clays for Ladies winners that day.

We look forward to another Greater Ladies League!
