12GA BOUNTY OPTION

This option is designed to give A-E class shooters an opportunity to collect the cash by tying or beating our 2022 Blue Goose HOA Champ, Jason Ward.

Entry Fee \$20

Here is how it works:

Each class is given a handicap for the 12ga event. You then shoot your 12ga event as you normally would. After the event you add your handicap to your raw score and if you tie or beat Jason's raw 12ga score you will double your money!

It keeps going so pay attention! If you tie or beat Jason not only to do you double your money, you are entered into a shoot-off on Saturday night against all the other qualified participants and Jason for the entire cash purse.

If you are the last man or woman standing you walk away with the cash. If Jason out lasts the field and wins, the cash purse will go back to the 2024 Briley Blue Goose Junior fund. Everyone wins!

By the way, Jason will be shooting a 28ga in the shoot off! All other participants will be shooting 12ga and receive a handicap based on class.

JESS BRILEY INNOVATORS AWARD

Dawn of the new era. If you knew Jess Briley you knew him as an innovator. Always had a new idea or a fix for something. It is a trait sought after by many but obtained by only a few.

At the 2023 Briley Blue Goose we are continuing the tradition of the “The Jess Briley Innovators Award”. This award is not only to keep Jess’s memory alive but to continue to put back into skeet by constantly improving and changing the game.

There will only be one award up for grabs each year and it’s not guaranteed that anyone will receive it.

The requirements to earn this prestigious award are simple.

1. One must shoot the four gun main event at the Blue Goose at which you are submitting your idea.
2. Submit a one page idea of a fun game that will improve the experience of skeet shooting or an idea to help improve skeet on a local or national level. The submission must also have an outline of steps to implement the idea.

Our selection committee will review all submissions and select a recipient. If there are no ideas submitted or none that are usable, there will not be a recipient selected for that year.

If an idea is selected that can be implemented at the Blue Goose the winners idea will be inserted into the 2024 Blue Goose program.

The winner will receive the “Jess Briley Innovators” plaque plus \$1,000 cash prize and a full entry to the following years Briley Blue Goose.

A perpetual plaque will also be hung at GHSC with each winners name inscribed on it.
