BECAUSE EXPERIENCE MATTERS...

Welcome Shooters

On behalf of the Texas Skeet Shooters Association, Paxton Arms, Greater Houston Sports Club, and our many sponsors, we would like to welcome you to the 2023 Texas State Skeet Championships. The State Shoot Committee and the GHSC Staff are excited to host this event and we are fully committed to making this weekend memorable.

This event is the culmination of many hours of hard work. Enjoy the event and let us know what we are doing right and what we can improve upon. We want each of you to enjoy your time on and off the field. Let's have fun and celebrate our successes.

Please take time to recognize and support our many sponsors; without them, our shoot would not be the same. A premier event has premier sponsors, and we are blessed to have the absolute finest.

Competitors should ensure that the MySkeet staff has your current cell phone number and e-mail address. We will use this contact data to ensure that real-time event information gets sent to you. If you have any questions, please feel free to ask a member of the State Shoot Committee or a member of the GHSC Staff.

The Texas Skeet Shooters Association

by Al Topham

From time to time, I am asked how skeet got started in Texas and what was the early organization of our association. From a box of old minutes that have been kept at the TSSA state office and from memory, I will try to answer these questions.

The Texas Skeet Shooters Association was organized in 1950 for the purpose of promoting the sport of skeet in Texas. The original association was rather loosely formed but as the association grew, it became apparent that a more formal organization was needed.

In 1960, a group of shooters got together and wrote the bylaws for the association that are still used today in their basic structure. Joe Harris of Dallas was one of these writers who contributed a great deal to the final document. In this meeting the Zone structure of organization was proposed but not adopted until 1962. For organizational purposes and to give all areas of the state fair representation, it was proposed that there be:

- Four zones with geographical boundaries.
- The number of directors from each zone would be determined by the shooting population in each zone.
- Directors would be selected from the membership of their zone.
- The President as well as all of the officers of the association would be elected by the board from the board members.

Since the original bylaws were written, there have been revisions made as needed, but the basic bylaws have remained the same. One noted change a few years back was the reduction of zones from four to three due to the lack of members in what was Zone I (West Texas). In the early years of our association the statistical and administrative work was the responsibility of the President and the Board. In 1967, all TSSA records were brought into Dallas and Ruby Welch (Bubba Wood's secretary) took over the secretary / treasurer position and put the clerical end of our association together in a more professional form. In 1985, a computer was purchased but was not put into service until Gene Jackson took over as secretary/treasurer in January 1989, after the retirement of Ruby Welch.

Over the years your association has accomplished many things such as:

1. Acted as "THE MODEL" association for many of the present state associations.

2. Promoted skeet shooting and presently has the highest number of active shooters of any state organization in the USA.
3. Holds one of the largest state shoots in the USA.
4. Consistently has the largest number of high average shooters in the USA.
5. Chooses All State Teams in all categories for both open and concurrent events.
6. Financially assists clubs, new and old, in expanding facilities.
7. Is a major financial contributor to the 4H Foundation shooting program.
8. Offers services to member clubs such as mailing labels and current lists of paid members as well as logistical support to the clubs and the individual members.
9. Oversees a "Hall of Fame" program initiated in 1983 that is one of the most prestigious awards a skeet shooter can receive.
10. Built the finest referee program in the entire world. From 1973 to 1993, Texas has supplied not only its own chief referee but also the chief referee for the NSSA World Shoots. TSSA referees are recognized nationally and internationally as the best. From 1976 through 1994, TSSA referees have run the USA National Championships where the members of the USA National Team are selected. The 1984 Olympics were staffed exclusively by TSSA referees with the exception of one field referee.
11. A Life Membership program with 550 Life Members out of an active membership of around 800 members in the association as of May 1, 2023
12. Provides an organization that oversees the shoot program and coordinates the shoot schedule for all clubs with the assistance of the members of the executive committee from each zone. Provides the membership with a shoot calendar each year.
13. Provides the membership with a sound, well-organized financial base from which to work.

The TSSA is in sound financial condition and is far and away the strongest of all state associations. This has come about due to the dedication and sacrifice of many people over a number of years. To them we say "Thanks" for a job well done and we will do our best to keep it on course.

PAYMENT OF FEES. Cash and check will be accepted for payment of entry fees, along with most major credit cards.

TEAM EVENTS. Ties will be decided by a shoot-off of Doubles at Stations 3-4-5. NSSA rules will apply. Unlimited gun malfunctions will be allowed during shoot-offs only.

RULES, REGULATIONS & PROTESTS. This shoot is registered by the NSSA and their rules will govern except where noted. All participants must have paid their 2023 NSSA dues, and all Texas residents must also pay their TSSA dues before being allowed to compete in this tournament. NSSA rules pertaining to protests will be followed without exception.

LIABILITY. Participants and spectators recognize the exposure to potential injury associated with the shotgun sport and assume all risks of accidents while attending this tournament.

AMMUNITION. NSSA rules are applicable for all ammunition used at this shoot. Ammunition will be available for purchase at the gun club. Hand-loads are permitted.

PRACTICE ROUNDS. Practice will be available Wednesday 12:00 PM to 8:00 PM. No practice is expected to be available during the tournament.

PAYOFFS. Payoffs will be made via mailed check. You are encouraged to pick up your medals before 4:00 PM Sunday at Registration. Watch for signs posted during the shoot stating when you may pick up your awards for a particular event. Awards not picked up before the Sunday deadline will be mailed to the address shown on your registration form. Please, help save our association's money by picking up your awards at the shoot rather than having us ship them to you.

CLASSIFICATION. Current NSSA classification rules will be observed for this tournament. Your class will be determined by your average at your most recent reclassification, but no lower than lowest class gun.

SQUADDING. Four-gun entries will be given preference in scheduling. Shooters participating in less than the entire four-gun program will be scheduled as near their requested time as possible.

SQUADS WILL NOT BE CALLED. It is the shooter's responsibility to be at the correct field on time. Shooters missing their squads will be allowed to join their squad in a subsequent round and finish the event by himself or herself provided, in the opinion of the referee, there is sufficient time for them to complete the event before the next flight. Otherwise, they will be moved to the last flight of the day, if space is available. If space is not available, no refund will be given.

Texas State Skeet Shoot Withdrawal Policy

Shooters wishing to withdraw from any event at the State Shoot must have the approval of the Shoot Chairman before any refund can be made. There will be no refund of fees paid for concurrent events, class purses, or HOA events.

Deposits are necessary to confirm and cover certain shoot overhead expenses. No deposit will be refunded if notice of cancellation is not received at least 15 days prior to the first event (May 18, 2023). TSSA thanks you for your cooperation.

Briley Special

Lewis Class Doubles Event

All Doubles Event Shooters Entered Automatically

Five classes will be set up according to the Lewis Class Purse rules.*

Each class will be shot off to determine a single winner in each class.

There will be Briley prizes to the winner of each class.

***Explanation of How the Lewis Purse Works:**

When all the shooting has been completed, the scores are listed in numerical order from the highest to the lowest. They are divided into as many groups as there are classes. For example, if there were 50 entries and 5 classes, there would be 10 scores in each class. The highest score in each class would be the winner.

Since there will often be odd numbers of entries and tie scores on the dividing line between the classes, the following rules have been established:

1. Where a short class is necessary, due to odd entry list, the short class or classes shall head the list.
2. Where the line of division falls in a number of tie scores, the contestants are assigned to the class in which the majority of the scores appear.
3. Where an equal number of tie scores appear on either side of the line, contestants shall be assigned to the head of the lower class.
4. Where the original division is changed, due to tie scores, this change shall apply only to the classes directly affected and the original division shall continue in the other classes.

To cite an example, we will take a shoot containing a 100-target program in which there are 5 Lewis classes and 33 contestants. Since the short classes are placed first, there would be 6 shooters in Classes 1 & 2 and 7 shooters in Classes 3, 4 & 5. The final scores are arranged from highest to lowest and the lines drawn in between the classes.

7 BERETTA 28GA GUN GIVEAWAY TO C

REMEMBERING ONE OF THE TSSA'S MOST INFLUENTIAL PRESIDENTS

HARRY MACH

1940-2022

Harry served as the TSSA Vice President from 1993 to 1995, and was President of the TSSA from 1995 to 1997. During his tenure as Vice President and then President the TSSA experienced some of its best years. The Texas State Shoot was a sell out and the enthusiasm was peaking. We follow his examples to the best of our ability, but there is only one Harry Mach.

In honor of Harry and all his contributions at the 2023 Texas State Skeet Championship, 7 Beretta Explore 28ga shotguns will be given away to the 12ga Class Champions compliments of the Mach family and GHSC. For the Beretta giveaway the 12ga Champ, RU and 3rd will not be removed from class.

TSSA Hall of Fame Inductees

The TSSA is proud to enshrine the latest Hall of Fame Inductees. The TSSA Hall of Fame (HOF) was put in place to honor those residents of the state of Texas who have distinguished themselves with a high degree of proficiency and / or service to the sport of skeet shooting. The honorees for 2023 are particularly deserving of this distinguished honor.

The honorees will be formally inducted at the State Shoot Banquet on Friday, June 2nd at the Hilton Garden Inn in Pearland, TX

Ran Davis

Ran has been a member of the Board of Directors for the TSSA and has also served as Vice President and President for the association. During his tenure as Vice President, Ran conducted the 2012 State Shoot and the 2013 State Shoot. Ran also maintains the TSSA State Shoot website and helps with many of the IT challenges that the staff of the TSSA encounters.

Ran Davis

As many of you know, Ran developed the cloud based, MySkeet tournament application that allows for real time viewing of events on a computer or smart phone. The application also allows for online tournament registration and was the first application to keep individuals informed of their performance via text messaging. Ran also served on the Board of Directors of the Dallas Gun Club for a period of ten years.

Tim Cudia

Tim traveled the world as a member of the US Navy. It seems as though wherever his travels brought him, he remained involved in skeet and remained committed to bettering the gun clubs he frequented.

Tim has been a member of the Terrell Rifle and Pistol Club since 2005. Tim was instrumental in bringing registered shooting to the club and developing the North Texas Juniors Open. The NTJO is one of the finest shoots for Junior and Sub-Junior shooters in the nation, providing a tournament at little or no cost to the participants. Tim also boasts over 5,000 hours of formal instruction to junior shooters.

Tim Cudia

Kyle Shumaker

Kyle is being inducted for shooting proficiency. He holds five (5) state titles, including winning the HOA Title at the 2007 Texas State Championships and winning three (3) .410 State Titles. Kyle has been a member of the TSSA Open First Team eight (8) times. Additionally, he was on Open All American Teams from 2008 through 2012.

Kyle Shumaker

Kyle has won championships at virtually all of the major shoots in Texas, including the Blaser, the Bradshaw, the Best of Texas, the Briley Blue Goose, and the Pan American.
