Partnership Opportunities

Welcome

Welcome to the 2024 shooting season at Greater Houston Sports Club. In 2024, like in years past GHSC is hosting some of the most prestigious and recognized events in the world.

The shining star of GHSC's 2024 event schedule is the Browning Briley Texas State Sporting Clays Championship coming April 17th-21st. The Texas State Sporting Clays shoot is known for drawing some of the largest crowds of any state shoot in the country. Its larger than most regional shoots and compares to the US Open. It's a BIG one! Nearly 1000 competitors will descend on GHSC for 5 days of shooting fun.

The notoriety and visibility this event alone receives is the equivalent to the largest sporting clays events in the world. It literally takes an army to successfully put on an event of this magnitude and if you know Greater Houston, we don't do anything half way!

Aside from the Browning Briley Texas State the club is also hosting its usual schedule. The Buckle Race continues to grow. Participation in 2023 has seen a 28% increase in participation from 2022. Averaging right at 390 participants per Buckle Race. Diamond Classic has also seen participation increases over 15%.

The Clubs Skeet program is also growing. The Briley Blue Goose, The Best of Texas and now the Texas State Skeet Championship are all on the roster.

With this schedule GHSC is slated to throw the most registered in the country for the 4th year in a row. There are a lot of eyes on GHSC and we want you to be a part of it! As a partner, we are committed to making sure you get as much out of the event as we do. Driving business to your company is important. We feel that the current participant base is large enough to have noticeable ROI on your partnership costs.

In this package, you will find a new feature called a Super Partner. A Super Partner will receive exposure at all NSSA and NSCA events hosted at GHSC that year. It's not a one and done deal. It's the entire year!

If you take a few minutes to review the options, you will find there is a lot of value for you and your company.

We are looking forward to having you as our newest partner.
