HOW IS MY BUCKLE CLASS DETERMINED?

You will not receive a Buckle Class until the completion of Buckle Race Leg #3. To be eligible for Buckles you must participate in at least two of the first three Buckle Race Legs and two more in addition to that. Your two highest scores out of the first three Buckle Races will determine your class using the Lewis Class system. The two events that are used to calculate your Buckle class will be locked into your final score for Buckles.

In the interest of fair play, GHSC reserves the right to reclassify shooters based on known ability if needed.
