REGISTRATION: Only by using Scorechaser.com will deposits and prepayment of entry fees be accepted. Deposits and prepayment must be received by Thursday, April 11.

REFUNDS: No refunds of advance deposits or prepaid entry fees after Monday, March 15, 2024. In the event of illness or injury a written request for refund may be submitted. Any refunds after the scheduled refund date is at the discretion of shoot management. All entries are final after Thursday, April 11. Entry fees will not be refunded unless the event is cancelled.

ELIGIBILITY: All participants must be current members of the NSCA in good standing. Membership applications will be accepted at the shoot. Shooters who choose to depart from regular rotation schedule are not eligible for awards or option money. Shooters that have not shot at least 300 NSCA targets since October 2023 will be penalized up one class in all events.

RULES AND REGULATIONS: All NSCA rules apply. Coaching during any events at the Browning Briley TX State sporting clays championship is prohibited and can result in disqualification for shooter and coach. All spectators and squad members must remain 3 feet from shooter.

PROTESTS AND CORRECTIONS: Corrections to scores, event and concurrent entries and entry into Special Concurrents should be reported to the Registration Desk as soon as they are noticed. It is vitally important for shooters to check the scoreboard to make certain they have been entered in all events for which they are qualified as no additions or corrections to Concurrent and Special Concurrent entries will be made after 12pm Saturday, April 20. Shooters are urged to check their scores each day as corrections to awards will not be made unless Registration is notified prior to shoot-offs beginning or in the case of awards not involved in ties, before 5pm Sunday, April 21.

Protests must be submitted, in writing in accordance with the NSCA and FITASC rules and will be decided by the Protest Committee whose decision is final.

SHOOT-OFFS: Shoot-offs results take precedence over tiebreaker station results. Shoot-offs will take place for added money and trophies in all events. Option money will split in accordance with listings in this program.

AMMUNITION: Available for purchase through GHSC or from approved vendors. NO RELOADS ALLOWED FOR ANY EVENTS No 3" shells allowed.

Maximum loads for any event (Including games):

GAUGE	OUNCE LEAD	GAUGE	OUNCE LEAD
12	1 1/8 oz.	28	3/4 oz.
20	7/8 oz.	410	1/2 oz.

INCLEMENT WEATHER/LIGHTNING PLAN OF ACTION: At first sign of an approaching storm, local Doppler radar will be monitored for the direction and severity of the storm. At the same time, shoot management will be strategically positioned to monitor the approaching storm for lightning and any other potential dangerous elements. At first sight of lightning (by and/or relayed to any shoot staff), a cease-fire will be called immediately via PA system and by shoot management to each field where PA is not available. All fields will be cleared of participants and staff. Shoot management will monitor conditions and decide when it is safe to return to the fields. If shooting is unable to continue please refer to 2024 Browning Briley TX State Severe weather contingency plan.

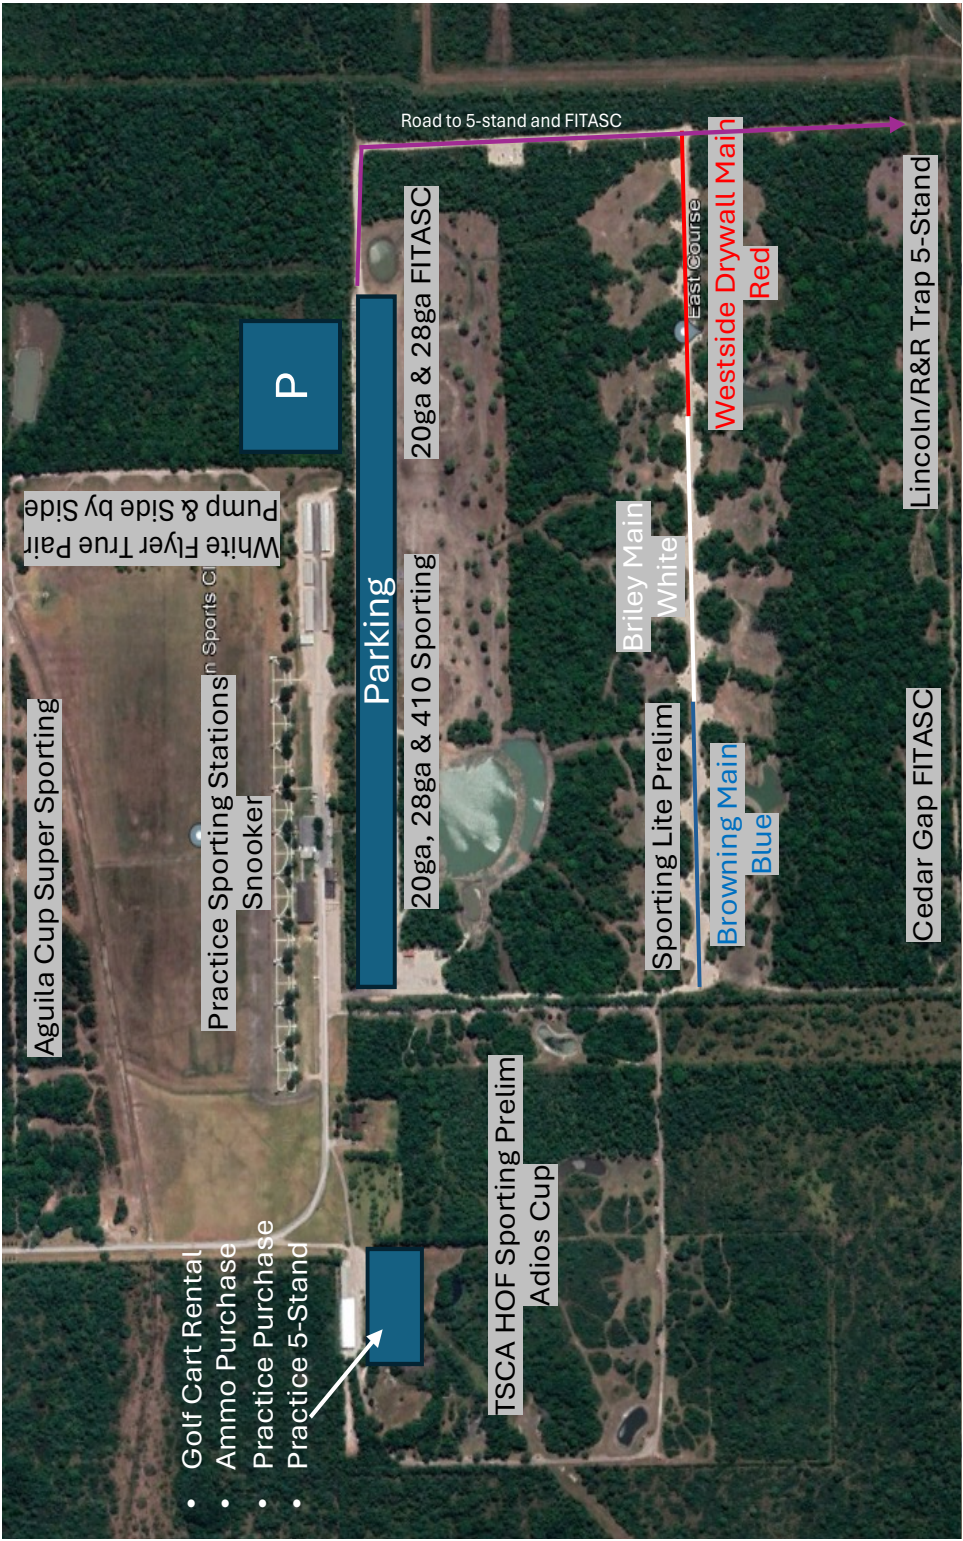

CLAYS CARS: Individually-owned clays cars, gators, mules and other similar vehicles are allowed. All golf cart rental reservations are to be made on Scorechaser.com with your event registration. No ATV or 4-wheelers allowed. You must be at least 16 years old with a valid drivers license to operate approved vehicles on GHSC grounds. GHSC reserves the right to prohibit any vehicles on the property that, in shoot managements opinion, is unnecessarily fast, dangerous or destructive to club grounds. GHSC also reserves the right to disqualify any person who is, in shoot managements opinion, driving unsafely or causing unnecessary destruction to club grounds with vehicles.

SOLICITING: No literature of any kind may be distributed on the grounds without prior approval of GHSC Management.

SAFETY REQUIRMENTS: Mandatory eye and ear protection – all persons, spectators, shooters, referees and trap personnel must wear eye and ear protection on the course. Spectators and participants assume all risks resulting from accident or loss of property occurring on the Greater Houston Sports Club grounds.

OTHER INFORMATION: GHSC and Browning Briley Shoot Management reserves the right to alter or cancel any part of this program. No refunds for withdrawals will be made because of weather unless the event is cancelled. Management decisions are final. In accordance with NSCA rules, Shoot Management may refuse any entry or cause the withdrawal of any contestant who annoys, endangers or interferes in any way with the harmony of the shoot or, in management's opinion, whose conduct is unsportsmanlike.
