BUCKLE RACE CHAMPIONSHIP SERIES

GREATER HOUSTON SPORTS CLUB

THE 14TH ANNUAL BUCKLE RACE SERIES IS ALL SET FOR 2026!

Consistency is what's important. The Buckle Race has seen such huge success because we work tirelessly to consistently provide an enjoyable experience that caters to all levels of shooters. Sporting Lite has become a new staple. Offering a fun dynamic set of targets that is perfect for entry level shooters. Seasoned shooters also enjoy it to see if they can hold focus over the entire course to shoot in the high 90s or even a 100 straight.

The team at GHSC is never satisfied so each and every Buckle Race is heavily analyzed and scrutinized to see how it can be better. This year after careful and thorough review we have made some additions.

HIGHLIGHTS

- Skeet Main will always be a 12ga event paired with a sub-gauge event for a 200 target main.
- You now have the ability to shoot your 200 target main on Friday or Saturday. If you decide to shoot both your highest 200 target score will be used for Buckles.
- We are adding another Buckle Category for Skeet Lite and Sporting Lite Combo.
- With the success of the Sporting Lite we are now going to offer a 25 target FITASC LITE. This event will not have buckles and per NSCA rules will not award punches or All American points. Targets will be friendly and this is a perfect intro into FITASC.
- On Fridays of each Buckle Race we will be offering one afternoon rotation of the Main Event to allow for flexibility in scheduling and also better experience for the growing number of Buckle Racers

HOW TO GET MY BUCKLE CLASS

Sporting Main	Leg 1	Leg 2	Leg 3	Leg 4	Leg 5	Leg 6
John Smith	82	85	90			

After Buckle Leg #3 shooters will be classed based on your two highest scores in any event. Once all shooters highest two scores have been determined, shooters will be listed from highest sores to lowest. A Lewis Class system is used to equally divide shooters into classes. Once classes are determined shooters can not change classes for the remainder of the year.

Sporting Main	Leg 1	Leg 2	Leg 3	Leg 4	Leg 5	Leg 6
John Smith	82	**85**	**90**	92		

Scores used to determine Buckle Class will then be shown in red on the tracker. These two scores can not be dropped and will count as two of your four final scores.

Sporting Main	Leg 1	Leg 2	Leg 3	Leg 4	Leg 5	Leg 6
John Smith	82	**85**	**90**	92	91	88

Shooters need a total of 4 scores to be eligible for Buckles. After Buckle Leg #6 your two lowest scores, other than the scores in red, will be dropped. Buckle winners are determined by your four highest scores through the year for each event. Dropped scores will then appear in white.

In the interest of fair play, GHSC reserves the right to reclassify shooters based on known ability if needed.
